Summary

Art and design professional with 9+ years of experience building and managing brand identity, digital campaigns, and audiovisual content. Expert in Figma, After Effects, HTML, CSS, and JavaScript, with a focus on workflow automation and integrating generative AI to optimize creative production. Skilled at designing and coding landing pages, managing content across multiple markets, and ensuring brand consistency.

Work Experience

Art & Design Specialist, ComparaOnline

01/2021 – 08/2026

- Operated within a hybrid agile methodology (Scrum + Kanban), establishing quarterly objectives and executing 5-week building cycles followed by cooldown weeks for shaping and planning.
- Conceptualized and developed the company's Brandbook 2026 from inception in Figma, ensuring its meticulous application across all marketing and communication assets.
- Engineered and automated the content pipeline for the corporate blog "El Comparador" (Notion, generative AI, HubSpot/GitHub), successfully migrating and publishing over 120 articles while maintaining brand consistency.
- Crafted and programmed landing pages (HTML, CSS, JavaScript) for marketing campaigns in Chile and Colombia, liaising with commercial and content teams.
- Orchestrated audiovisual content, email campaigns, and social media strategies for two markets (Chile and Colombia), integrating generative AI to expedite production without compromising visual integrity.
- Produced audiovisual pieces for social media and TikTok (After Effects, Higgsfield, Kling AI) in alignment with current brand guidelines.
- Spearheaded the adoption of generative AI within the design team through an internal exploration program, yielding a functional deliverable weekly.

Intensive Training — Web Design and UX/UI Design

03/2020 – 12/2020

- Undertook a self-directed specialization during the market contraction caused by the pandemic.
- Completed courses in Web Design and UX/UI Design (Domestika), establishing the foundation for the hybrid design and development profile currently practiced.

Graphic Designer, ComparaOnline

11/2019 – 03/2020

- Managed the company's audiovisual content for Chile and Colombia, encompassing social media, email marketing, and advertising campaigns.

Graphic Designer, Artespectáculo Ltda

03/2019 – 08/2019

- Executed comprehensive graphic production for events, including client mockups and sketches, interactive modular screen contests, audiovisual recording and post-editing, and website and social media maintenance.

Graphic Designer (Freelance), Being Consulting and Ventures

08/2018 – 01/2019

- Administered social media for the ChileFacilitadores project, generated and authored content, and provided support to the graphic design department.

Graphic Designer, Mouton

03/2017 – 08/2018

- Designed packaging (bags, boxes, including a custom auto-assembling box) in direct coordination with printing houses; created graphics for campaigns, events, and seasons; produced catalogs; conducted product photography and editing; managed the website and social media.
